

## Eligibility cycles for ACDFs (with or without supplement) and INT JRF awards

### For Colleges eligible under Statute GII

**Note** that the lead times for JRFs and ACDFs are currently different and this affects the timing of the cycle for applications:

- ACDF applications by partnerships in Lent Term are for posts starting in the same year
- INT JRF applications by Colleges in Easter Term are for posts starting the following year

The following examples show how eligible Colleges might manage applications for these awards.

#### A) College has a Stipendiary INT JRF, applies for another Stipendiary JRF to follow:

Academic Year	2023-24	2024-25	2025-26	2026-27	2027-28	2028-09
Stipendiary JRF AHSS* 1	Yr 1 starts Oct 23	Yr 2	Yr 3 ends Sept 26	Not eligible to apply ET 26	Not eligible to apply ET 27	<b>Awarded ET 28</b> to start Oct 29
Stipendiary JRF AHSS* 2	Not eligible to apply ET 24	<b>Awarded ET 25</b> to start Oct 26	Not eligible to apply ET 25	Yr 1 starts Oct 26	Yr 2	Yr3 ends Sept 29

\*a NON-stipendiary INT JRF in STEMM could be applied for in addition at any point in this cycle

#### B) College has a Stipendiary INT JRF in AHSS, applies to alternate with an ACDF *with College supplement*:

Academic year	2023-24	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30
Stipendiary INT JRF AHSS*	Yr 3 ends Sept 24	Not eligible to apply ET 25	<b>Awarded ET 26</b> To start Oct 27	Not eligible to apply ET 27	Yr 1 starts Oct 27	Yr 2	Yr 3 ends Sept 30
ACDF ** AHSS <i>with College supplement</i>	<b>Awarded LT 24</b> to start Sept 24	yr 1 starts Sept 24	yr2	yr3 ends Sept 27	Not eligible to apply	Not eligible to apply	<b>Awarded LT 30</b> to start Sept 30

\*a NON-stipendiary INT JRF in STEMM could be applied for in addition at any point in this cycle

\*\*an ACDF *without* supplement could be applied for in addition at any point in this cycle

C) INT may take into account how many INT awards a College holds in assessing applications, but it is, in principle, possible for a College to hold two or more awards simultaneously. e.g.

Academic year		2023-24	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30
